selezione dei migliori film della stagione in lingua originale

WIND RIVER A veteran tracker with the Fish and Wildlife Service helps to investigate the murder of a young Native American woman, and uses the case as a means of seeking redemption for an earlier act of irresponsibility which ended in tragedy. **LOGAN LUCKY** When Jimmy Logan gets fired, he convinces his brother Clyde and sister Mellie to help him rob the Charlotte Motor Speedway during a NASCAR Race. But they will need the help of Joe Bang, a convicted safe-cracker who is currently doing time. **MOLLY'S GAME** Molly Bloom, a beautiful young Olympic-class skier, ran the world's most exclusive high-stakes poker game for a decade before being arrested in the middle of the night by 17 FBI agents wielding automatic weapons. Her players included Hollywood royalty, sports stars, business titans, and finally, unbeknownst to her, the Russian mob. **2001: A SPACE ODYSSEY** Humanity finds a mysterious, obviously artificial object buried beneath the Lunar surface and, with the intelligent computer HAL 9000, sets off on a quest. **A QUIET PASSION** The story of American poet Emily Dickinson from her early days as a young schoolgirl to her later years as a reclusive, unrecognized artist. **THE KILLING OF A SACRED DEER** After the untimely death of 16-year-old Martin's father on the operating table, little by little, a deep and empathetic bond begins to form between him and the respected cardiothoracic surgeon, Dr Steven Murphy. At first, expensive gifts and then an invitation for dinner will soon earn the orphaned teenager the approval of Dr Steven's perfect family... **HOSTILES** In 1892, after nearly two decades of fighting the Cheyenne, the Apache, and the Comanche natives, the United States Cavalry Captain and war hero, Joseph Blocker, is ordered to escort the ailing Cheyenne chief, Yellow Hawk, his most despised enemy, to his ancestral home in Montana's Valley of the Bears. **THE FLORIDA PROJECT** Set over one summer, the film follows precocious six-year-old Moonee as she courts mischief and adventure with her ragtag playmates and bonds with her rebellious but caring mother, all while living in the shadows of Walt Disney World. **READY PLAYER ONE** In the year 2045, the real world is a harsh place. The only time Wade Watts truly feels alive is when he escapes to the OASIS, an immersive virtual universe where most of humanity spends their days. In the OASIS, you can go anywhere, do anything, be anyone-the only limits are your own imagination. **THE HAPPY PRINCE** The untold story of the last days in the tragic times of Oscar Wilde, a person who observes his own failure with ironic distance and regards the difficulties that beset his life with detachment and humor. **OCEAN'S 8** Danny Ocean's estranged sister Debbie attempts to pull off the heist of the century at New York City's star-studded annual Met Gala. Her first stop is to assemble the perfect all-female crew: Lou, Rose, Daphne Kluger, Nine Ball, Tammy, Amita, and Constance. **ISLE OF DOGS** An outbreak of dog flu has spread through the city of Megasaki, Japan, and Mayor Kobayashi has demanded all dogs to be sent to Trash Island. On the island, a young boy named Atari sets out to find his lost dog, Spots, with the help of five other dogs... with many obstacles along the way. **DON'T WORRY, HE WON'T GET FAR ON FOOT** On the rocky path to sobriety after a life-changing accident, John Callahan discovers the healing power of art, willing his injured hands into drawing hilarious, often controversial cartoons, which bring him a new lease on life.
